

NSCSS Leadership -- 12/12/01
Teleconference Annual Planning Meeting

Gem show is in Tucson that weekend, so no hotel space is available. Discussion -- decision made to send e-mail out to yahoo groups, and query those participants as to whether they prefer to meet a week earlier in Tucson, or meet in the initial time frame in Phoenix. Pierre will e-mail. Will follow-up on Monday (12/17/01).
